**"I bless Thee for the soul thou hast created, for adorning it, sanctifying it,** though it is fixed in barren soil; for the body thou hast given me, for preserving its strength and vigor, for providing senses to enjoy delights, for the ease and freedom of my limbs, for hands, eyes, ears that do thy bidding; for thy royal bounty providing my daily support, for a full table and overflowing cup, for appetite, taste, sweetness, for social joys of relatives and friends, for ability to serve others, for a heart that feels sorrows and necessities, for a mind to care for my fellow-men, for opportunities of spreading happiness around, for loved ones in the joys of heaven, for my own expectation of seeing thee clearly. I love thee above the powers of language to express, for what Thou art to thy creatures. **Increase my love, O my God, through time and eternity."**
