## **TERMS AND CONDITIONS OF SHIPPING**

The Freight tendered to Fast Car Shipping Solutions Inc Or its Agents:

- 1) All timelines for pick up and drop off locations are estimates and are not guaranteed. Due to COVID-19 there may be a delay in transit times. Always use our tracking tool to know any status updates. We are not responsible for any Auto Rentals Accruals and/or any Auto Rental Charges, they will not be honored.
- 2) Fast Car Shipping Solutions and its agents will not be held responsible for any mechanical conditions of any vehicle being shipped. If it becomes a non runner or needs boost, loading and unloading for non runners will be extra charges.
- 3) Fast Car Shipping and driver or agents are authorized to operate and transport customer's vehicle between its pick up locations and the destination set forth on booking forms and Bill of Landing(s). We require the invoice to be paid in full prior to the vehicle shipment. Invoice is subject to transportation base price, fuel surcharge, destination province tax and extra service charge (if applicable, depending on service needed).
- 4) Vehicle must be washed prior to pick-up or delivery at the origin, so that we can properly assess its condition. Should your vehicle not be clean at the origin We will be automatically be released of any liability/responsibility for scratches, dents and any normally visible damage that can not be seen due to dust, dirt, snow, ice or any other substances that prevents our driver from conducting a proper survey. We will not be responsible for; cracked or chipped windshields, any damage to the interior of vehicle and/or interior of vehicle and/or any articles left in the vehicle. All items left in the vehicle are at your own risk, damages caused by freezing, cooling systems and/or batteries (damage caused from the vehicle itself).We do not insure vehicles damaged due to act of God (storms,hail,floods etc)and vehicle is insured while in transport not sitting in the terminal. You must have own insurance for that.
- 5) Storage charges will apply to all vehicle(s) not paid for in full before transportation from origin and to any vehicles that are not picked up by the customer after arrival at destination. Storage Rate is \$50 per day per vehicle. These charges must be paid by receiver/owner before the release of the vehicle(s).
- 6) All quotes are based on Terminal to terminal (i.e dropped off and picked up at one of our terminals) to Terminal transportation. If vehicle(s) are to be picked up from and/or delivered to any addresses other than terminal locations it will be classified as door to door service. The Door to Door transportation will be an addition of cost to the invoice and base price quoted. Extra charges of towing or transportation (subject to applicability & availability) will be applied to the invoice.

I have read & understood completely the terms and conditions listed on this page.

**If you are using electronic forms print name will have same effect as signatures on paper and you agree with all the terms and conditions on this page.**

## **TERMS AND CONDITIONS OF SHIPPING**

- 7) If we are not able to receive or deliver vehicle(s), for any reasons, wait charges will apply Minimum charges are \$150.00 for waiting. If a dry run occurs charges will apply.
- 8) Client is responsible for advising if vehicle is a low ride/modified and needs extra attention. As these vehicles may not fit on every equipment heading towards the destination, can have delays in shipment. Failure to indicate will automatically release us from any liability/responsibility for any damage caused from under or lower part of the vehicle. As it is impossible to conduct an inspection for damages from the bottom of the vehicle.
- 9) It is the client's responsibility that the vehicle(s) contains suitable antifreeze for a variety of temperatures. Please ensure that your vehicle(s) is road worthy and safe to operate while transportation. Vehicle(s) with any mechanical issues must be declared when placing an order via email. Failure to declare present issue will result in additional charges being applied to the transportation cost and must be paid before the release of the vehicle (subject to vehicle type). We advise vehicles should be appropriate for weather conditions and fully functional, unless stated as a non-runner vehicle.
- 10) If your vehicle fails to fit on some of our equipment, shipment delays may be caused for the vehicle(s) to be transported. Shipment delays may also be caused to routes that are not regular runs, vehicle(s) that fail to fit equipment at times, vehicles that have belongings in them. Deposits/payment made is non-refundable.
- 11) Fast Car Shipping Solutions is not responsible for any loss or delays caused by unforeseen circumstances. Delays can be caused by unforeseen circumstances (i.e. equipment breakdown, Weather conditions Shipment delays and availability of equipment, uncommon routes).
