HEALTH INFORMATION

Immunizations:

Every child entering Oregon Schools must have a signed Immunization Record (for exemptions the back of the form must be completed and signed) on file before the first day of attendance. State Law requires records be updated as new immunizations are given.

Parent Partnership Agreement

The best and safest program includes Parents & Teachers working closely together for the betterment of the Child.

We ask that all parents work closely with our Center and Teaching Staff. Your Child will feel more secure, happier, have less discipline problems, and will learn to love school.

In case of illness, injury, contagious conditions (fever, lice, etc.) we expect parents to put their child's health and well-being first, before work and all other obligations. This tells your child you love him/her and that he or she is your first priority. This also protects the health and welfare of the other children.

We expect you, as parents, to follow through with discipline in the case of behavior problems. We understand this may be difficult at times but it is necessary for consistency. The child may become confused or even angry without consistent parent backing. Parents will only be called if a child becomes ill or if the child has a behavior problem we cannot handle. It may be necessary for you to leave work and come to the center just to show your child you are serious, you follow through with discipline, and that you support their Teachers. There is a potential danger to the other children when one child requires all of their teacher's attention. If this is the case on a consistent basis, we will need to meet to discuss a plan moving forward.

We are here to help you by working together with you. Your child will grow to be a secure and well-mannered child through this partnership. We count it a blessing and privilege to have your child in Open Bible Learning Center.

I have read and agree to abide by this Parent Partnership Agreement.

A copy of this agreement is in the Center Handbook.
