Our almost monthly newsletter! June 2024

PASTURES NEW

It is with a heavy heart we share with you the news Harriet will no longer be working at Blush from 1st July.

(You will hear from us soon if you have an appointment after 1st July)

A new career awaits - Harriet will be working alongside her mum learning all new things at their dry cleaning business in Southwater.

We will give her a great send off and if you wish to see Harriet before her departure you can still make bookings until 29th June.

REBOOKINGS

As you know we are extremely busy! With Harriet sharing her clientele between us we therefore become busier. Please remember to rebook to avoid disappointment.

Our online availability shows upto 3 months in advance.

CHANGE TO GEORGE'S DAYS

Family is everything to us, at the salon and at home. The boys have gotten older and are school age! 😊

So, from September George will be working Tuesday, Wednesday, Thursday & Friday but not Saturdays - To be able to spend quality time with our family - making memories to last!

Happy Birthday

TO US!

DEEP DETOX

NEW IN!

Your hair is constantly under pressure from the harmful effects of pollution (Storrington traffic 😞), grease, and styling product build-up. The shower water itself can be hard, meaning that the water has a high mineral content, resulting in the build-up of heavy metals on your tresses. Deep detox is a brand new shampoo formulated to remove copper and lead residue and nourish the hair.

The result: hair colour looks radiant and the hair finds its natural splendour.
