## WINDOW COMPETITION!

Hello again my lovely people!

It has been a while, I have to admit - admin is not my strong point, and George refuses to write a newsletter as it was my idea in the first place.

I've been given a great idea by last years winner and fierce rival, Jan from Stitch, to email my database of clients to generate votes for our window display, created by the talented and creative Lauren!

Who doesn't love a bit of local competition 😊

Please follow the link below to vote for us!

*Our next newsletter! December 2026 (maybe)*

*Look how lovely it is at night time with all those lights 😍*

*If I haven't won your vote just yet maybe the sympathy violin could be played.. George and Lauren went shopping specifically for this display and ran up quite the bill in the hope people would recognise it as our beloved Storrington!*

## Moving up & out!

Having worked hard to achieve targets, Liv was promoted to Senior Stylist back in July, shortly after she moved out for the first time and now resides in Hove (actually).

Continuing to commute to work, she has only complained about the traffic a few times... NOT!

## December bookings

We developed a way quite a few years ago where we're able to shut the salon for two weeks over the festive period for some much needed R&R - without the need for anyone to use holiday, we work our hours leading up to Christmas to give you as much availability as possible (including Saturdays!) Obviously we're busy but without losing our heads or giving up the comfort by having to squeeze everyone in. So don't be put off coming in before the big day! Our online availability shows upto 3 months in advance.

## Work/life balance

*We wanted to be able to give ourselves and our staff time a longer break between our working weeks so we closed Saturdays, a few were sceptical at first, it took George a lot of convincing that it was **actually** a good idea of mine so we decided to trial it for 6 months, it's been 6 months and we're so happy we made the decision. (And so is Isaac)*

## Qualified!

Starting as a Saturday girl back in April 2023, Charlotte finished school and began her apprenticeship with us.. fast forward two years and we have a qualified stylist! 🎉 Charlotte (affectionately nicknamed 'Pookie' in the salon) has worked extremely hard and is currently building her clientele, to help introduce new clients to herself Charlotte is currently offering **20% off ALL services** until she reaches her first promotional target.

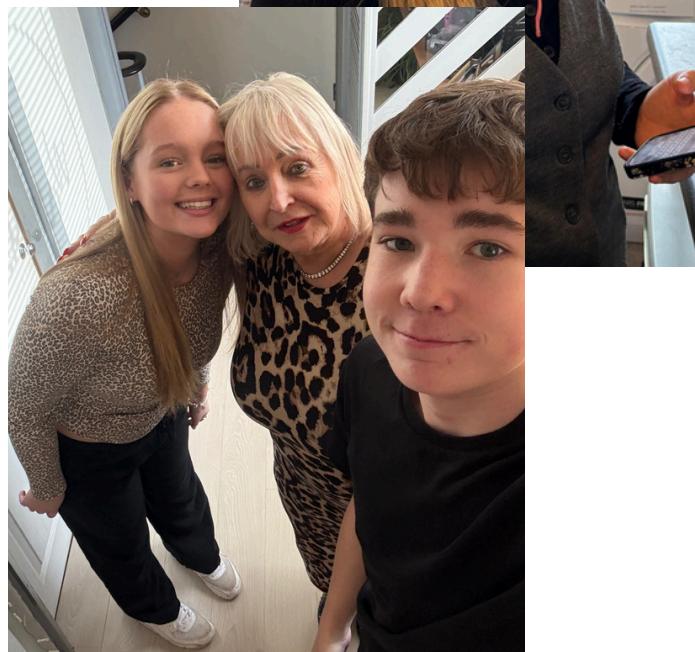

## Young Blood! (x3)

Well, from the pictures you can tell I'm not talking about Anita!

Back in August Lauren joined us as a Stylist, having qualified over 13 years ago Lauren has spent the most part perfecting her short hair craft working in barber shops.

Jayden (Aka "the boy") started his full time apprenticeship with us in September, we have reopened the academy on Friday mornings to train Jayden in all aspects of hairdressing, a heavily discounted price list can be found in the salon upon request.

Jaime joins us weekly for work experience, currently at Chichester college completing her level 2 hairdressing qualification, Jaime joins us on Thursdays to better understand salon life and learn those on the job skills.

## Over & Out

Its Christmas, my most second favourite time of the year (I really enjoy my birthday) 😊.

As always we thank each and every one of you for supporting our business and hope it brings a smile to your face every time you visit us.

We're looking forward to our staff do which is happening in January, it's all a big surprise though so they'll be in for a shock and will tell you all what it was once we've recovered.

We wish you all a merry Christmas and a happy new year! I thought I'd throw in some family snaps, we do it for them after all. 😊

Thank you for reading,

*Aden*
