

# RECYCLE THESE ITEMS

Mixed Paper

Plastic Containers (#1-7)

Metal Cans

Cartons

Cardboard

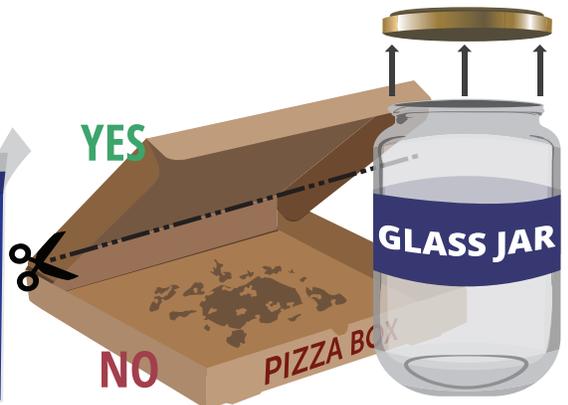

Glass Bottles & Jars

## Recycling Tips:

Remove plastic bags from cardboard boxes.

The top (clean) section of a pizza box is recyclable, while the greasy bottom half is not.

Remove metal lids from glass jars.

## No Hazardous materials:

- **Propane tanks** even when empty, remain pressurized and can explode when compacted.
- **Sharps:** needles, scalpels, razor blades, scissors, etc. can create a cut in the skin and risk infection to blood-borne pathogens.
- **Batteries** even when dead, could start a fire if they come into contact with reactive materials.
