

We gather as a community to share news and events around our complex.

## Our Successful HOLIDAY GATHERING 12-16-23

We were a group of 30 folks to share fellowship and good snacks. 8 lucky folks received either one of four \$50 Amazon gift cards or one of four \$5 scratch-off cards.

SAVE THE DATE: 3-19-24 Woodhaven Annual meeting. Come and learn all updates for our community.  
3<sup>rd</sup> Tuesday in March

Big thank you to Chad, Randall, Brad & Jorge and all who stayed on top of the January freeze damages in our complex.

## REMINDERS

1. Check your water heater. Manufacturer guidelines give an 8 to 12 year lifetime for water heaters. Any damage to any unit is the responsibility of the owner of the broken water heater. DO YOU HAVE HOMEOWNERS INSURANCE?
2. We have experienced several car break-ins. Please keep all items out of sight in your trunk and keep your car locked.
3. DART has closed a 1/5 mile section on Hillcrest between McCallum & Wester Way for one year. We will have a new Silver-Line route from Shiloh Rd to DFW airport. Won't that be grand!
