

We gather as a community to share news and events around our complex.

### Our Successful October National Night Out

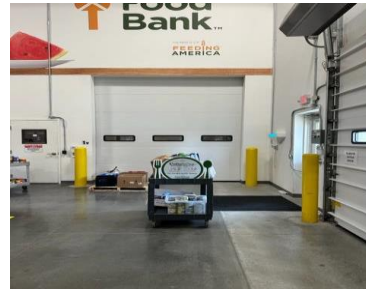

We were a group of 50 folks to share food, fellowship and a visit with Dallas police officers.

Two Dallas Policemen came to share information and visit.

We collected 158 pounds of food for the NORTH TEXAS Food Bank, feeding 132 families.

#### Other news:

Kudos to two of our teenage residents, Isaiah, and Jaden...caught joyfully picking up trash from their broken trash bag on the way to the dumpster. Way to go to keep our community clean.

#### Winter weather is coming soon

1. To keep your water pipes from freezing please follow instructions which will be emailed to you and will be posted in the mail room.
2. Time is nearing when we will want to gather around that fireplace. Please have your chimney cleaned to insure the safe usage during the winter.
