Any children in the pits not following these rules and running or fooling around in pits excessively will be sent to the General grandstands and will not be allowed in the pits the remainder of the season.
4. EVERY driver must complete and sign any/all required forms and releases before their first race. No driver will be allowed to participate until any outstanding fine(s) or bill(s) are paid. Anyone with outstanding fines cannot enter the pit area until fines are settled.
5. The car driver or car owner will be the only spokesperson for their car in any/all events pertaining to race and/or arbitration with UCS Officials and/or UCS Board of Directors.
6. Driver is totally responsible for the conduct of his/her car owner, all personal and other affiliated people; including family members. Conduct includes, but is not limited to: language, fighting, cheating, threatening or attempting to intimidate others, or any other actions that are determined to be unsportsmanlike conduct by UCS officials.
7. First warning will be given at Pit Meeting. UCS Board will determine the penalty based on the severity of the violation, which could be fines, suspension, loss of points or all of the above.
8. Anyone caught in the pit area without a pit pass will be given a warning and escorted to the ticket booth to get a pit pass. Second offense will result in \$40.00 fine due immediately.
9. Any person arriving who appears to be under the influence of alcohol or drugs by any UCS official will be denied pit entry. Drinking of alcoholic beverages is prohibited before the last checkered flag falls in the final main event of the night. Any person displaying evidence of intoxication and/or being under the influence of alcohol or drugs will be required to leave UCS premises immediately. Any driver in violation of this rule will forfeit points for the season, prize money for that racing event and a \$100.00 fine.
10. The TECH committee will inspect every car for safety regulations before it is approved as eligible to race. Any car not passing inspection will not be allowed to participate in

# URANIUM CAPITOL SPEEDWAY, INC.

P.O. BOX 3478 MILAN, NM 87021-3478

any UCS events until corrections are made and the TECH committee gives approval for participation.

11. Any car and driver involved in a rollover will not be allowed to participate further in any UCS event until it is inspected by the TECH committee. For safety, the car will not be permitted to race until the following race date.
12. The staging area is designated "ONE WAY". Each race will be staged and ready to go before the previous race is completed. All cars will enter track and maintain the line-up at a reasonable pace. All cars leaving the track must use the exit lane. Any car entering the pits through the staging area without official authorization will be fined \$75.00.
13. Excessive speed in the pit area is **PROHIBITED!** Violators will be fined \$75.00, all drivers must remain strapped in their car at all times when on the racetrack surface (except in an extreme emergency; fire etc.) Violators will be subject to a \$75.00 fine.
14. Any situation arising that concerns a track rule should be submitted to the Vice-President, Pit Gate Monitor, or Non-Racing Board Member. If not an immediate safety item, please submit concerns in writing. Driver, pit crew or family members are not allowed in the announcer's booth or flagman's tower. If you have questions, please ask the Pit Steward, if Pit Steward cannot solve the issue, submit concerns in writing and the Board will review issue after the race. The Board may withhold payout for the class involved until the issue can be reviewed and will provide a decision within 1 week of the submission of the complaint. Please wait till between races to speak with any officials. **The driver, pit crew or family will not abuse any track official, including pit steward/manager, flagman, judges, ticket booth personal or announcer. Any driver, crew member, family member or any spectator approaching the flag tower or announcer's booth will be fined \$75.00.**

P.O. BOX 3478 MILAN, NM 87021-3478

18. During the season top finishers of the main events will have their cars inspected immediately after the completion of the main events by the TECH committee. A car found to be illegal will be disqualified and will forfeit all accumulated points for that event. All other cars will move up a position. The illegal car will not be allowed to participate until corrections are made and approved. Drivers are allowed one person in the pit to help cool down the car. No one will be allowed to work on the car until inspection is done.
19. Protests/Tear Down
  - Protest: All protests must be in writing, signed by the driver(s) protesting. Fee of \$25 (Cash only) **per driver** must accompany the written protest when turned into the Pit Stewart, not the tech. This must be done within 15 minutes of the checkered flag. Only the top 4 finishers may be protested, and only one item per protest. If car is found to be illegal, protester gets his \$25 back. If car is legal, that driver gets the \$25.
  - Tear down: Only drivers competing in the same class as the driver who the protest is against can file a tear down protest. The protest must be in writing and turned into a member of the TECH committee, Board of Directors or Pit-steward/manager within fifteen (15) minutes after the completion of the race. The driver making the protest must put up a \$350.00 protest fee. Protest tear-down will consist of 1 valve cover, Intake, 1 head, and 1 exhaust, pulling of starter, pulling of oil pan and checking of the carburetor. The only persons allowed at a tear down will be the car owner, mechanic, TECH committee and the protestor. Any officer may also be present. Failure to comply with the tear-down or the car is found to be illegal, will result in disqualification and forfeiture of points and prize money for that event and forfeiture of points for the season up to that race date. Tear down will take at a neutral local shop based on the approval of driver who is being protested. \$50.00 of the protest money will be awarded to the track. If the car is found to be legal the remaining \$300.00 will go to that driver, however if the car is found to be illegal the \$300.00 will be returned to the driver making the protest.
20. Track officials are the only ones that can be on the race surfaces during the races. Any driver(s)/member(s) that are on the racing surface during a race (including yellow and red flags) will be fined. Track officials are the only ones who can touch a racecar while on the track surface. If a driver allows anyone else to touch or work on his/her car on the track, the driver will be disqualified and will lose points and money for that event. *Support help from clubs will be considered Track Officials for the race they are supporting.*

## Drivers:

Once on the race track, if for some reason you spin out, involved in an accident with another car/wall/tires or any type of incident that impedes your car to continue to race YOU MUST REMAIN INSIDE YOUR CAR until the tow truck driver/rescue personnel arrive and clear the scene and advise you that it safe for you to exit the vehicle. The only exception to this rule is the matter of imminent life or death, IE Vehicle on fire/ Vehicle is on its roof top and may roll over further to cause imminent life or death. If a driver exits the vehicle a red flag will immediately be thrown. If a driver breaks this rule you will be facing a \$ 500 00 fine and a 3 race suspension.

## PIT PERSONNEL:

All pit personnel are not allowed on the track at any times, unless they have permission from the track personnel or board members, and they are not allowed on the track while cars are in motion.

## TOW TRUCK DRIVERS/RESCUE PERSONNEL:

Please allow the cars to slow down under yellow before you enter the track. This is a major concern as you may also cause an accident, we will not have only one accident, but two accidents.

21. Each class must have four (4) cars to initially make the class. After this has been met, each class must have three (3) cars to run for points, and (4) for prize money. Drivers cannot pay for a car that is not racing to make car count.
22. A car may run more than one class per night, as long as they are moving up a class, pay the additional driver fee and meet all safety requirements.
23. **Cars not fitting class requirements will run in the next higher class for that race day. The car not fitting class rules will have one week to conform to the lower class rules. Failure to do so will result in being placed in the higher class permanently. Points will remain in class won and not move with the car or driver.**
24. Only emergency vehicles, race cars, vehicles pulling racecars, and trailers are allowed in the pit parking. Parking in the infield will only be used in the event that the pits are full then there will be no enclosed trailers parking permitted in the infield. The vehicle that transported a Go Kart to the race track will have to park in the general parking area and come back to retrieve the Go Kart when the races are over. Pit Parking is for race cars only.

28. Competitors under the age of eighteen will have checks made out to guardian in order to maintain amateur status for high school/college level sports.
29. Drivers will be paid prize money for the main event points only. Driver's checks will be available for one (1) hour after races are complete. Any check not cashed within 30 days will be void.
30. **The flagman will have absolute authority in all decisions pertaining to race procedures and un-sportsman like conduct. All decisions of the flagman will be final!**
31. **Green Flag-GO!!** The green flag indicates the start or re-assumption of a race. All other flag rules apply after the first green is shown. ALL CARS MUST COMPLETE A LAP BEFORE THE RACE IS A START! Any car jumping position, bumping, or holding up the start of the race will be sent to the back of the track, at the discretion of the flagman.
32. **Yellow Flag-CAUTION!!** The yellow flag is official once thrown. All cars will revert back to their position on the previous lap. All cars in single file and maintain a REASONABLE pace set by the leader. Car(s) causing the yellow flag will go to the back of the pack. Each car will be allowed two yellows in the heat and two yellows in the main, third yellow, car will be asked to leave the track. One hot pit is permitted under yellow during the main event; pitting car must wait to reenter the track during a

# URANIUM CAPITOL SPEEDWAY, INC.

P.O. BOX 3478 MILAN, NM 87021-3478

yellow if green has already been thrown. All cars pitting must line up at the back of the field. (see Hot pit/pitting)

33. **RED FLAG- STOP!!** The red flag is official when and where received. Any car moving while the red flag is out will be black flagged. Cars will line up single file according to the previously scored lap. Drivers causing the red flag, if able to continue will go to the back of the pack. Drivers may get out of their cars to assess damage and removal of car from racing surface. Driver must stay with their own car and not approach other drivers or cars on the racing surface; driver can be subject to fines if in violation of officials. If flagman allows cars to pit, drivers must wait until the yellow flag is thrown. (see Hot pit/pitting)
34. **GREEN/WHITE flag-** Halfway. The race entirety is half over.
35. **RED & YELLOW FLAG-** RESTART!! All cars, except the car causing the yellow, resume the original lineup. **Only one** restart is allowed thereafter single file line up will be used, with the car causing the yellow to go to the back of the pack. Cars needing to pit (due to mechanical problems, flat tires, etc.)(This only applies to the initial red and yellow flag restart. See restarts.) Will be allowed three laps under yellow to make repairs and get back on the track for the restart of the race. (see hot pit/pitting)
36. **BLACK FLAG-** DISQUALIFICATION!! If you are black flagged for any reason, you must leave the racing surface immediately. Stopping to argue with the flagman (or official) or stopping and doing a burn out in front of flagman will result in a \$50.00 fine and each lap taken after black flag is thrown will be an additional \$25.00. The black flag will be given to any car for rough driving. ROUGH DRIVING will not be tolerated. Any driver deliberately running into and/or forcing another car off the track will be black flagged at the discretion of the flagman. THE FLAG WILL BE FINAL.
37. **WHITE FLAG-** LAST LAP!! One remaining lap will complete the race. A yellow flag displayed with the white flag is to warn drivers of a problem on the track, continue the race with caution. If the red flag is thrown during this lap, the event will be scored as if the race had been completed minus the car(s) causing the red.
38. **CHECKERED FLAG-** FINISH!! The lead car has completed the race. Cars will be scored as they cross the finish line.
39. **Hot pits/pitting** - under certain circumstances cars will be able to pit during a race.
  - One hot pit is permitted under yellow during the main event; pitting car will have 3 minutes to make repairs. If the hot pit goes beyond the allotted time the driver must wait to reenter the track during the next yellow. Car may be scored down by how ever many laps that have been completed. All cars pitting must line up at the back of the field unless instructed otherwise by track official. Only 3 crew members will be allowed to make repairs to the car.

# URANIUM CAPITOL SPEEDWAY, INC.

P.O. BOX 3478 MILAN, NM 87021-3478

- During Red Flag conditions or restarts, it will be up to the flag man to allow cars to return to their pits for service/repairs. Cars not returning to the track at the designated time by the official must wait in staging before reentering the race. Cars may be held in staging until the next caution and will be scored down by however many laps that have been completed.
- The designated hot pit area will be off of turn 4 next to the staging area. In the event that over flow pitting in the infield is required the hot area will be on the back stretch of the go-kart track.

#### 40. Restarts

- **Start of Race** - All cars, except the car causing the yellow, resume the original lineup. Only one restart is allowed thereafter single file line up will be used, with the car causing the yellow to go to the back of the pack. Cars needing to pit (due to mechanical problems, flat tires, etc. This only applies to the initial red and yellow flag restart.) Will be allowed three laps under yellow to make repairs and get back on the track for the restart of the race.
- **After Caution** –
  - Heat race - cars will start single file.
  - Main Event – cars will start Double file with the leader alone on the front row (Delaware Start). The second-place car will choose high or low and the field will follow thereafter.
  - The flagman may use his discretion and have the cars line up single file if the cars cannot complete a restart.

41. The advertised length of the race may be cut short do to extend caution periods or due to, to many cars not being able to finish. (Example- 10 cars start the race and 8 have mechanical issues and only 2 remain, if the 2<sup>nd</sup> place car is 1 or more laps down the flagman may use his discretion to end the race early).
