**Tired of having to schedule multiple employees over several days or weeks?
Tired of employees “milking the clock” to go take a random drug test?
Tired of losing “Production” Time?**

**Give us a call to see how we can save you time and money by calling out our Mobile
Collection Unit if you have 10 or more employees needing testing.**

**Contact your Third-Party Administrator (TPA) and request to add us as your preferred
collection site.**
