### INTERVIEWS BY LUNA, SOLE AND VIOLET

It was a loud and packed field Thursday with multiple games going on. The weather was hot, but that didn't deter fans from coming in to cheer on the Clay PAL teams.

John was there to cheer on his son, Travis. Reporter Luna spoke with him. "I love baseball, so I love to watch baseball," he said, "I'm having fun!"

James' daughter Aubree played for the Clay PAL Tigers. "I think it's a great park and I hope more people join," he told Reporter Sole.

Reporter Violet spoke with Dave. "My oldest son is playing baseball, and my youngest son is having practice on the back here," he explained. Overall, it was a great day for baseball!
