POLICE ATHLETIC LEAGUE  
OF CLAY COUNTY  
MISSION STATEMENT

The Clay County Police Athletic League is a youth activities program managed by deputies of the Clay County Sheriff's Office and by dozens of volunteers. Our overall mission is to work together with our community to prevent juvenile crime and violence by building the bond between law enforcement officers and youth. We are a non-profit 501(c)(3) organization and provide programs which include baseball, basketball, tackle football, cheerleading, and flag football for over 300 youth each year.

Our home park is located at 450 Parkwood Dr. in Orange Park and consists of six (6) baseball fields and one football field.

One of our primary goals is to allow youth to participate in these programs at a low cost and because of that community support and fundraising is imperative.

100% of the money raised by the Police Athletic League's Sunset Ride will be used to further the goals and objectives of our organization.

We want to take this opportunity to thank each and every one of our sponsors, participants, and volunteers. From all of us at the Police Athletic League we collectively say **THANK YOU!**
