Spring will be here before we know it & Blooms with Joy would love to help you get a step ahead!

This year we are offering a pre-order on all of our plant starts, including complementary delivery! Delivery is available for Allegany, Niagara, and Wyoming Counties. I am also offering delivery to URMC and the Olean area. If you border any of these areas, please send me a message or email ([Samantha@BloomswithJoy.com](mailto:Samantha@BloomswithJoy.com)) so that we can work something out.

**Plants will be ready for delivery the first full week of May.** We do not suggest planting these until you have reached your average last frost date, or if you are willing to cover in the event of frost.

We offer our plant starts in the following sizes:

**Small Singles** - Think of these as purchasing a sample. One plant, the size of what you would find in a 4 or 6 pack. Grow something new without the commitment of a multipack or use these to fill a small space.

**3" Pots** - We offer a few varieties in this size. These plants will arrive to you larger than what they would in a 4 or 6 pack.

**Multipacks** - we have 4 packs and 6 packs. most of the varieties that we offer can come in either of these sizes.

## 2026 Pricing

Small Singles - \$1.50 each or 5 for \$5

3" Pots - \$3 each or 4 for \$10

4 Packs - \$3 each or 4 for \$10

6 Packs - \$5 each or 4 for \$17
