## January 2021

Happy New Year from the Model A Ford Foundation! We are looking forward, as many of you are also, to a better and more active year. Hopefully you have been able to get in your A's and do some driving before the weather makes it impossible. Many clubs have had some "No Contact Tours" which have been nice. We live in a beautiful world and there is no better way to see it than from a Model A!

Last year the Museum had to say goodbye to a beautifully restored Woody belonging to Tim Wiggins that had been on loan to the Museum for several years. As luck would have it, a 1931 Woody has just been donated to the museum by Rob Gibby from Pennsylvania. Rob has owned this car since 1963 while he was in school. We hope to have it safely installed in the Museum by February.

Did you know that you can get a tour of the museum right from the comfort of your own home? Go to our website: [www.maffi.org](http://www.maffi.org) and click on the link "Tours". There is a tour that was filmed in September, led by MAFFI President, John Begg and others. It was focusing on the First Responders Display but also gives you an idea of what's inside. You truly have to see it in person to appreciate all that is there. You could spend an entire day if you looked at every exhibit and read everything. We hope to have other short videos coming soon so check back often.

Thank you for your continued support of the Model A Ford Foundation through your membership and your donations.
