Model A Days Model A Driving School

Registration for this event has been light so far. Each student will have ample attention and anybody who does sign up should be in for a real treat.

Jerry Morrissey attended the Model T Driving School at the Gilmore on June 9, looking for insight and ideas for the Model A Driving School being offered Friday September 16, 2022, at Model A Days. He came away very excited about parts of their program that had not been discussed for our program. Jerry explained, “The Model T’s took a short drive to learn forward and reverse with each driver. Then they took a longer drive to experience shifting into high gear. Lastly, they finished with a mile long drive along the private road towards Gull Lake utilizing both gears, stopping and turning around.

For the Model A's we can do something similar with a short, medium, and longer drive.” While nothing is set in cement at this time adding a one-mile scenic drive on a private road in one of the several cars or trucks being offered for the class would be exciting, no matter what your previous driving experience is.

Enrolling in the Model A Driving School is done by registering on-line at [www.maffi.org/ Model A Days/Special Event Registration](http://www.maffi.org/Model%20A%20Days/Special%20Event%20Registration).
