

# Pretty in Pink

Steve Saffer sent a flyer announcing a car show at Stallone's Italian Kitchen on Glades Rd. It was a charity event that helps with the costs of mammograms for women and treatment of breast cancer. Harold Feinberg sent an email to our Model A club members to coordinate participation in this event. He got several commitments to go but if you watched the weather station stating 60% chance of rain, it would have been a no go. However we all know how accurate the weatherman is.....it turned out to be a perfectly hot and sunny day with no rain at all.

Now getting there was a completely different matter. There was a huge amount of participation, so much so that traffic was stopped at the intersection for 20 minutes while the police

directed the parade of cars going in to the show-Mopar Mania! We finally got our turn in and being the awesome guy that he is, Steve Saffer had spots reserved for our club and Harold Feinberg saved them till we could all get there.

We had six Model A's--Jerry and Dorice Carbone, Harold Feinberg, Frank LaCava and his daughter Jennifer, Fabio Catarcione, Bill Snow, Michael Herbstman. Mark Rudes came in his 1934 Rolls Royce and Mel Lipschitz in his old Cadillac. Ray Voigt and Trish Davis even made an appearance in modern autos.

There was music and plaques and 50/50 drawing. Plenty of food choices and lots of people. I would hazard a guess at over 100 cars were there, mostly Dodge

Challengers and Chargers from the club Speed Mob as well as a couple dozen motorcycle police and firemen.

They gave away Top Ten plaques and yours truly got one for our 1931 Town Sedan. It was really great to see everyone again as it has been quite awhile since anyone has gotten together.

Mother nature cooperated beautifully and hopefully they raised lots of money toward their cause. It was nice to get out and enjoy the cars.
