Chicken/Rib Picnic 10-23-2010

By Donna Ripley

The day was just perfect, sunny, ENE breeze off the water. Here come the members and guests to the Chicken/Rib Picnic at Lake Ida Park. Model "A"s and Model "T"s back into the parking places. All the smiling faces walking down the path with desserts or appetizers in hand. Ready to eat! Audre & Dick with Donna were all set up and welcomed everyone. Members that came to enjoy the day were: Gwen and Jim, Trish and Allen, Marge and Mitch, Ron and Mary Louise, Mary, Dick and Bobbie, Harold, Ted and Alva, Mike, Jerry and Karen, Ray and Mary, Barry and Gail and family, Mike, Sue, Frank and Jennifer, Guests, Juan And Diane, Dan and Janet, and Jean Ripley. Ray and Mary Voigt have volunteered to host the 2011 Chicken Picnic.

Audre had a guessing game. How many stickers in the jar? The winner was Samantha Feinberg. Rachel was a big help handing out the prizes. Bingo winners were: Samantha, Dan, Mary Louise, Mike C and Bobbie. Special prize for the marked knives: Ron LaVergne and Jerry Adams. Congratulations to all the winners.

Joe Longo's name was drawn for the event. Sorry you weren't there.

Thank you to all for the donations of bones, they were greatly appreciated. It took me 2 hours to clean them but all kitties enjoyed the meat. Also don't even try to jump off a Model A when they are trying to jump start it. Let me tell you rubber running boards and rubber soles are not a good match. Sorry Harold, but glad you got your Model "A" running.

Hope everyone had a great time and enjoyed the picnic.

PLEASE PAY DUES NOW!

A breakfast was planned at the Golden Corral on October 9th to show our appreciation for the free use of a room for our General Meetings. Thanks to now member Frank Lucava and his son, Tony Spaich, Harold Fienberg & the Davis's for their participation. Although Eric Gompertz's battery was dead on his 1929 Pickup, he showed his support by coming Modern. All those present had good food and great conversations.

Trish Davis

TOURING-Proper way to Caravan

You are responsible for the car behind you. Look in the rear view mirror often, if he slows down or stops then you do the same. The driver in front of you does likewise. If you make a light and the car behind you doesn't, pull over and the car ahead will start a chain reaction. We HOPE they are paying attention and pull over also. If the caravan makes a turn, make sure the car behind you sees you. If he is lagging too far behind wait at the turn until he sees you, then proceed into the turn. This way there is less confusion and all will arrive at the same time and at the same location.
