

*Join Us for the 24th Annual*  
**SWEET CORN FIESTA**

*Sunday, April 28th, 2024 from 11 a.m. – 5 p.m.*

Yesteryear Village, South Florida Fairgrounds  
9067 Southern Boulevard, West Palm Beach, FL 33411

We have been invited to display our cars at the Yesteryear exhibit for the Sweet Corn Fiesta at the South Florida Fairgrounds. We will receive free admission and tickets for a complimentary lunch (no drinks). In past years this has been one of our best events. The organizers have told us that we are limited to the number of cars we can bring. We usually get there by about 10:00 a.m.

**Directions:**

Cars should be in place by 11:00 a.m. which is the time that the event opens to the public. Enter at Gate 4 with your antique car. Gate 4 is located on the east side of the Fairgrounds off of Sansburys Way between Belvedere Road and Southern Boulevard. Please follow the service road to the security guard at Gate 6 where the sign will be directing antique cars to the show location.

**Please contact Harold Fienberg at 561-716-0998 for details for caravanning and to reserve a spot.** This has always been a great event for our members.

## **Celebrate Local Sweet Corn**

Sunshine yellow, hot and buttery. What's not to like about freshly harvested sweet corn grown locally in the famous black soil of **The Glades Region** here in The Palm Beaches. Combine this delectable eat with the all-day events of a harvest celebration and you have a family-friendly treat like no other.

## **Major League Eating**

Yes, you can do some major league eating of sweet corn on your own. But did we mention National Sweet Corn Eating Championship? It's on the official Major League Eating circuit and the Sweet Corn Fiesta is again the host for this year. Last time the winner ate 57 ears of Florida sweet corn in 12 minutes to claim the title. The world record is 61 ears, well within reach for this year's competitors.

## **Historic Setting**

Yesteryear Village is a living history park. Discover a large collection of early, original and replicated buildings including an old school, a farm, a blacksmith shop, a general store, and several houses. Make sure to stop in the Riddle House, restless spirits still haunt this home built in 1905.
