

Sponsor Invitation

Dear Friend of Astronomy,

The Popular Astronomy Club is hosting the **2019 North Central Region of the Astronomical League Annual Convention**. The convention will be held May 3 - 5, 2019 in Moline, IL. You are invited to attend the convention in person as a vendor or become a convention sponsor.

The North Central Region has approximately 1900 members in 7 Midwest states. Typical attendance at the annual convention is 60 to 70, but because of the central location and extended schedule of the 2019 convention we are anticipating higher than typical attendance. All sponsors will be listed on the convention website, in registration material, and throughout the convention. If you would like to provide a door prize, sample materials or donation to help keep the conference affordable for attendees, we will be happy to promote your company to the convention attendees.

For additional information about the NCRAL 2019 Convention and Sponsorship Information, please use the following links:

If you need additional information, please contact us at the email or one of the phone numbers shown below. If you wish to ship a door prize, sample magazines, etc. use the address below and please notify us via email.

Thank you in advance for your support. We look forward to helping you promote your organization at the NCRAL 2019 Convention.

Sincerely,

Roy and Mike
