The Facebook Small Biz

AS SEEN ON

"I implemented Jim's tips and doubled the number of Facebook followers in 24 hours and nearly tripled it in a week."

Latasha Elliot

A common sense guide to learn how to create your Business page, post the correct content, interpret your insights, utilize Facebook ads and hashtags, grow your followers, increase engagement, and get more sales

Jim Harris shared a lot of the principles in Facebook Small Biz Bootcamp with me when I released my true crime debut, Michael Chapel. His insights helped me turn a small following of friends and family into a grassroots mission with over 8,000 members and a national audience of millions.

Henry Ball

Jim is the most successful serial entrepreneur I know. His tips and tricks to better your business are unmatched to any other advice. He builds a strong roadmap to create a successful business for the small business owner."

Ashley Shaw, VP of Marketing

Jim created a Facebook page for our upcoming film. Within the first 24 hours, we went from zero followers to 582 and reached over 12,000 people. I am beyond happy with the amount of 'buzz' Jim is creating.

John Fedack

"To say that Jim "knows business" is a gross understatement."

Patty Stevens
