

INTEGRITY | TRUST | CONFIDENCE

# INTERVIEW TRAINING

## ABOUT US

---

Our team at Great Circle has extensive experience in policing, investigations, interviewing, polygraph and training.

We specialize in interview training to provide our clients with the essential skills of communication.

We work closely with the public and private sector to provide training programs that are cost-effective and tailored to their needs.

# BASIC INTERVIEWING COURSE

(PURE VERSION)

- 2 days;
  - Effective bonding and rapport building;
  - Obtaining the best quality information in the interviewee's own words;
  - Expanding information through non-leading questions;
  - How to integrate Pure Versions into a larger operational plan;
  - Techniques used to enhance recall;
  - Cognitive interview;
  - Obtaining the best evidence.
- 

# ADVANCED INTERVIEWING COURSE

(PHASED INTERVIEWING MODEL)

- 5 days;
  - Developed from the PEACE interviewing model; • Differences between witness and suspect interviews;
  - Explanation of all phases of the interview;
  - Strategies in dealing with obstacles encountered during interviews;
  - Responsive to case law (addressing admissibility/voluntariness);
  - Practical exercises and syndicate work to enhance retention of skills.
