INTERACTIVE/VIDEO COURSE

COURSE OBJECTIVES

The objective of this educational course is an introduction to professional ethics to help you understand the basic concepts of professional ethical behavior in the workplace and how a company can establish ethical behavior & standards for its employees. You will be expected to understand the definition of ethics, values & morals; describe ethical standards; learn the importance of creating an ethical workplace; and be able to analyze ways to maintain professional ethical standards.

COURSE DETAILS

This course is an interactive/video course where the user learns through video explanations as well as interactive slides and modules. If you require a timed & monitored version of this course, you can select that option before you start the course. You can take the course anytime and anywhere, on any device. This course is completely self-paced, so you can start and stop and set your own pace. If you need to take a break during the course, you will be able to pick up at the point where you left off. At the end of the interactive/video course, you will have a completion exam to ensure you learned the material which was presented. Upon scoring a 70% or above on the end exam, you will receive a completion certificate with your name, PE#, and the date on which you completed the exam. We also keep a copy of all certificates indefinitely.
