Course #:	ETH-T103
Course Content:	Interactive/Video Course
PDH/CE Hours:	2

INTERACTIVE/VIDEO COURSE

COURSE OBJECTIVES

The objective of this educational course is to educate the user on ethical codes of conduct. An Ethical Code of Conduct is important for compliance training programs and can help you mitigate potential penalties through a formal employee training policy. The course is designed to provide essential training on the most important topics found in almost every company's Code of Conduct. Your organization can succeed when your employees have a core set of values to promote a culture of compliance and ethics. Training them with an engaging course can ensure that they do the right thing. This code of conduct training has been professionally designed with detailed compliance information, scenarios, case studies, and assessments to serve as a powerful tool to help your organization cultivate and maintain an ethical workplace.

COURSE DETAILS

This course is an interactive/video course where the user learns through video explanations as well as interactive slides and modules. If you require a timed & monitored version of this course, you can select that option before you start the course. You can take the course anytime and anywhere, on any device. This course is completely self-paced, so you can start and stop and set your own pace. If you need to take a break during the course, you will be able to pick up at the point where you left off. At the end of the interactive/video course, you will have a completion exam to ensure you learned the material which was presented. Upon scoring a 70% or above on the end exam, you will receive a completion certificate with your name, PE#, and the date on which you completed the exam. We also keep a copy of all certificates indefinitely.
