# COURSE OBJECTIVES

The objective of this educational course is to educate the user to manage situations in which sexual harassment occurs in a effort to prevent sexual harassment in the workplace. This sexual harassment prevention training course is designed specifically for users in the state of Illinois. By the end of this course, you will be able to explain the laws which prohibit workplace harassment; define sexual harassment; describe the different types of sexual harassment; understand the protocol for addressing complaints; recognize the protections available to victims of sexual harassment; and know the steps to prevent sexual harassment in the workplace.

# COURSE DETAILS

This course is an interactive/video course where the user learns through video explanations as well as interactive slides and modules. If you require a timed & monitored version of this course, you can select that option before you start the course. You can take the course anytime and anywhere, on any device. This course is completely self-paced, so you can start and stop and set your own pace. If you need to take a break during the course, you will be able to pick up at the point where you left off. At the end of the interactive/video course, you will have a completion exam to ensure you learned the material which was presented. Upon scoring a 70% or above on the end exam, you will receive a completion certificate with your name, PE#, and the date on which you completed the exam. We also keep a copy of all certificates indefinitely.
