COURSE OBJECTIVES

The objective of this educational course is to educate the user on how to give a professional presentation. Giving a good and strong presentation takes practice. In this course, you will learn the features of an effective presentation and investigate how to design and develop your own presentation. By taking this course, you will be able to: Prepare your presentation; Structure your presentation & Deliver a standing ovation-worthy speech. By the end of this course, you will be able to: Build a presentation that creates maximum impact; Plan your presentation keeping the audience in mind; Use your nerves to enhance your presentation; Learn how to begin and conclude the presentation; Use engaging techniques to deliver your presentation effectively.

COURSE DETAILS

This course is an interactive/video course where the user learns through video explanations as well as interactive slides and modules. If you require a timed & monitored version of this course, you can select that option before you start the course. You can take the course anytime and anywhere, on any device. This course is completely self-paced, so you can start and stop and set your own pace. If you need to take a break during the course, you will be able to pick up at the point where you left off. At the end of the interactive/video course, you will have a completion exam to ensure you learned the material which was presented. Upon scoring a 70% or above on the end exam, you will receive a completion certificate with your name, PE#, and the date on which you completed the exam. We also keep a copy of all certificates indefinitely.
