COURSE OBJECTIVES

The objective of this educational course is to educate the user on how to improve their communication skills. Good managers are rare, and great managers are even harder to find. What distinguishes highly effective managers are not only their technical knowledge and skills but how they communicate with others at all levels. In this course, we will take a deeper look at the skills that make good managers great. We will also learn how to maintain engagement, motivation, and create a thriving work atmosphere for all employees. By optimizing these essential skills, you will learn how to improve your communication skills and be more effective. By the end of this course, you will be able to: Develop interpersonal communication skills; Identify communication barriers; Explore tactics to resolve obstacles to communication; Understand the use of different communication methods; Learn how to communicate effectively with your team.

COURSE DETAILS

This course is an interactive/video course where the user learns through video explanations as well as interactive slides and modules. If you require a timed & monitored version of this course, you can select that option before you start the course. You can take the course anytime and anywhere, on any device. This course is completely self-paced, so you can start and stop and set your own pace. If you need to take a break during the course, you will be able to pick up at the point where you left off. At the end of the interactive/video course, you will have a completion exam to ensure you learned the material which was presented. Upon scoring a 70% or above on the end exam, you will receive a completion certificate with your name, PE#, and the date on which you completed the exam. We also keep a copy of all certificates indefinitely.
