1912.

Price 6d. nett.

THE "SMOKERS' HANDBOOK" contains 5000 prices of Tobaccos, Cigarettes, and other specialities to be found in tobacconists' shops. It is intended for reference both by tobacconists and their customers, the relationship between whom should be bettered by its judicious use.

For instance a customer may require a brand the tobacconist does not stock, and of which he does not remember the price and packings. Reference to the brand under the manufacturer's list will give him the facts he wants.

There are many thousands of articles on the market and neither the tobacconist nor his customers can be expected to know the prices of all. It is here that the Handbook is introduced to clear up all difficulties.

Craven Extra Mild

Your own enjoyment of CRAVEN EXTRA MILD can only be equalled by the pleasure of introducing it to a friend. A gift of CRAVEN EXTRA MILD is one which any smoker will appreciate.

CRAVEN EXTRA MILD is manufactured under the new process, discovered by Mr. Bernhard Baron, by which the crude residue of harshness, which even the most matured tobacco previously contained, is eliminated. It is a milder grade of the famous "Craven" Mixture which was immortalised under the name of "Arcadia" by J. M. Barrie in "My Lady Nicotine."

Sold in 1 oz., 8d.; 2 ozs. 1/3; ¼ lb. 2/6; ½ lb. 5/-; air-tight tins. Also in cartridges, in packets of 14 pipefuls, 8d.; 28 pipefuls, 1/3.

Our world-renowned CRAVEN MILD, in cartridges or loose, 2 ozs. 1/3.

Of high-class tobaccoists all over the World. If you cannot obtain it locally, write direct to our West End Depot, 7 Wardour Street, Leicester Sq., London, W. (Established 1788)
