TYESULES

*the surest lighter fuel in
the safest handiest container*

COMPARE Tyesules with any other capsules, note the superior finish, clarity and general air of elegance. Use Tyesules in your own lighter and note the difference. "Pool" petrol has been a wartime necessity, so has "national" butter, "utility" clothing—but Tyesules always have, and always will, contain the finest spirit made.

Sell Tyesules, not just any lighter-fuel—and stop annoying your customers.

BALKAN SOBRANIE CIGARETTES & TOBACCO

THIS ENGLAND... Number

THE WEEK END—once denounced by go-getters and moralists alike—has been copied the world over and has finally earned the approval even of the efficiency experts. There is only one amendment necessary — that it should begin on Thursday and end on Wednesday . . . Meanwhile, we can make do with but two days' freedom providing case and pouch are filled with *Balkan Sobranie*. For, in that subtle aroma slavery is abolished, and, in the satisfaction of smoking the world's rarest tobacco, merit gets the holiday it deserves.
