Vinyl Siding Temporary Surcharge

Valued Customer,

Due to substantial increases in fuel, PVC resin, and other raw material costs because of the ongoing conflict in the Middle East and the effective closure of the Strait of Hormuz, we are implementing a temporary 4% surcharge on all ProVia vinyl siding products.

This surcharge will be listed as a separate line item on your order and will be effective on all orders submitted beginning June 15th, 2026.

Any orders placed before June 15th, 2026, will not include the surcharge; however, we will not be able to accommodate any delayed shipping requests. To help maintain consistent service levels and product availability, we reserve the right to limit order quantities if your weekly order volume is significantly higher than historical weekly purchases of your recent three-month average volume.

We will continue to monitor this situation, and should these costs return to normal levels, we will remove this surcharge.

Please contact your ProVia Account Manager or the Vinyl Siding Customer Service Team (800.669.4711) if you have any questions.

Sincerely,

David Miller
Director of Pricing
