

LAB TEST OPTIONS

Doc At Your Door offers you two test options for labs: No Insurance vs. Insurance

1) NO INSURANCE OPTION - *Doc At Your Door* will either:

- collect your specimens on-site . . . OR,
- refer you to *Sunrise Medical Labs* to collect your specimens.

Doc At Your Door will then bill you directly for your lab tests . . . you will not be billed by the lab . . . your insurance will not be billed at all.
