NEED A NEW APPLIANCE? LET US SET IT UP.

Don't waste time
researching appliances –
we do it for you.

What We Do:

- Recommend the best appliance (new or used) based on your needs, space, and budget
- Purchase and deliver the unit
- Handle full installation – including any electrical or water line work
- Remove or repurpose your old appliance
- Coordinate with tenants, contractors, or building managers
- Provide a photo report and warranty after job completion
