Gunther Walsh: “Did you not endorse Trump in 2016?”

Gary Day: “In 2016, umm, in the beginning when there was 14 or 15 people in it, **I endorsed, umm, John Kasich**”

Gunther Walsh: “But John Kasich you’ve got to understand is a RINO. You know that. You couldn’t figure that out?”

Gary Day: “When you go back and you look at what he did, he came back...”

Gunther Walsh: “All you had to do was you don’t go back. You look at what they’re doing now, and what he was doing in the last 5 years is he is a RINO.”
