DEMONSTRATION AT REP GARY DAY'S OFFICE IN NEW TRIPOLI ON JUNE 25'

So far, Rep Day has not cosponsored the resolution to impeach Gov Wolf (HR 56). Yes, we know that the emergency has General Assembly, but does that mean we should let Wolf off the hook? Should we also let Rep Day off the hook? We say

During the pandemic Governor Wolf issued an order mandating the closure of all businesses that in his arbitrary opinioi sustaining" and an order mandating that citizens of this Commonwealth stay at home.

Governor Wolf's orders violate the prohibition against unlawful seizures and the right not to be deprived of property wit under the 4th and 5th Amendments.

Further, Wolf's orders violate the right of citizen's equal protection and our freedom of speech and freedom of assembly to citizens of this Commonwealth.

Should we now forget this tyrant's misdeeds and simply 'move on'. No. We want him impeached. We don't care if he wor the Senate. We don't care about any of the other half-dozen excuses used by lawmakers so they can sit on their hands a

Representative Gary Day needs to stand with us and fight. If he will not fight with us on this, why would we support his r
