ISLAND IGNITE 2024 - PROGRAM OVERVIEW

Island Ignite Mentorship Society is a not-for-profit society with the goal of engaging, encouraging, and empowering female youth through fire fighting. Our program is tailored to provide youth in grades 11 and 12 the opportunity to participate in a short immersive fire fighting camp on Vancouver Island.

We are committed to creating opportunities that give participants the confidence to explore non-traditional jobs and empower them through fire fighting skills and drills. Island Ignite endeavours to remain progressive, inclusive, and adaptive to the varied needs of our local partners and to build programs that are fun, safe, and accessible. We vow to work collaboratively with the departments in our region to create an amazing experience for all who participate.

This year we have planned a 3 day/2 night event hosted by Victoria Fire Department and IAFF Local 730 from July 12th to 14th, 2024. We will work with our host department to provide a variety of stations that may include auto extrication, forcible entry, entanglement props, hose handling, and many other standard skills associated with fire service work. Operations will be enhanced with volunteer assistance from active female firefighters in the region.
