Dear First Responder Supporter,

We have exciting news! Lamar County Adopt a Cop and Texas 2A “Man”tique are hosting AARON TIPPIN LIVE AT RENO KIWANIS PARK on Saturday, October 19, 2024. Proceeds from this event will be used to provide safety equipment, training needs, and advocacy for our local law enforcement and first responders and will also benefit Reno Parks and Trail. It is almost time to replace expired vests, so any help is greatly appreciated.

The show will feature local artists from 5pm until 8pm at Reno Kiwanis Park, followed by the award-winning country artist, Aaron Tippin. There will be food and drinks available for purchase, as well as a VIP and public bar.

We are so grateful for what our sponsors have helped us accomplish over the years to enhance officer and first responder safety. Without your assistance and sponsorships, none of this would have been possible. We hope that you will consider sponsoring this exciting event to help us raise money for our ongoing mission of improving officer and first responder safety, as well as enhancing the quality of life for our citizens. No donation is too small. We hope to team up with you and make this our best event ever!

If you are interested in sponsoring this event or for more information, please contact Jeff Padier at (903) 903-3594 or Amanda Willows at (903) 905-1229 or by email at amanda@lamarcountyadoptacop.org. Lamar County Adopt a Cop is a 501c3 corporation.
