

## CNC Machine Tool Sales, Service & Support

### SMART MACHINE TOOL

FANUC Control  
Vertical Machining Centers  
Turning Centers  
Horizontal Machining Centers  
5 Axis Machining Centers  
Bridge Mills, Boring Mills & VTL's

### HURCO®

Industry Leading Conversational Control  
Vertical Machining Centers  
Turning Centers  
Horizontal Machining Centers  
5 Axis & High Speed Machining Centers  
Bridge Mills, Boring Mills

### Cincom

"Citizen" Swiss Type (Sliding Headstock) Lathes  
7mm-38mm dia Capacity  
Laser Cutting and Welding for Cincom  
LFV (Low Frequency Vibration) Cutting

### Miyano

High-Precision, Multi-Axis Production Lathes  
42mm-64mm dia Capacity  
Superimposition Technology  
Laser Cutting and Welding for Miyano

### CONDAT

Metalworking Water Soluble Coolants  
Dual Purpose Neat Cutting & Grinding Oils  
Maintenance Oils (Way, Hydra, Gear)  
Vegetable and Preservative Based Products

### FUJI

*innovative spirit*

High Production Automated Lathes  
Single or Dual Spindle, Live Tooling  
Multiple Loading Options, Robot, Gantry & Stocker  
Automated Process, Turn Key Solutions

### ESPRIT®

C A M S y s t e m

Edit Free G-code  
World Class Technical Support  
For High Value-Added Parts

### ELITE

HIGH PERFORMANCE MACHINERY

Manual Lathes  
Manual Mills  
Manual Saws  
Tool Room Equipment

### COSEN

COSEN SAWS  
Since 1976

Fully Automatic/CNC Saws  
Manual & Semi Auto Saws
