Finally, a sunny evening and good times had by all. A special thanks to all the participants who made every evening fun for everyone. Who would have thought there could be that much excitement at a lawn bowling club? The cheering and jeering turned a lot of heads in City Park last night.

Congratulations to all the winners and participation credits to the others.

Thank you to our supporters, Soutside Beverage Company, Vice and Virtue, OYPCollective, Sandhill Winery, Mosaic Books and Mirabel Winery.

KLBC thanks you for being part of this event and for the respect you showed each other and the club.
