Planner/Senior Planner/Principal Planner

Amity Planning is seeking a town planner to join our friendly and sociable team in our Cardiff city centre office.

The Role

The role will involve:

- Leading/assisting in the day-to-day management of a wide-range of development projects across Wales and England including mixed-use, residential (market and affordable), commercial/employment, tourism/leisure, retail, and renewables.
- Working with design teams/clients to help develop high-quality development proposals.
- Preparing supporting planning documents including Planning Statements, Environmental Statements, Appeal Statements, Design and Access Statements, Planning Appraisals, Pre-Application Consultation Reports, and Candidate Site Reports.
- Training and CPD opportunities.
- Forging relationships with our existing client base and potential new clients.
- Management and mentoring of junior members of staff.

Qualifications and Experience

The ideal candidates will have:

- A degree in Town Planning, or a related subject.
- Experience in town planning, ideally including private sector experience.

Person Specification

The ideal candidates will be:

- A good communicator.
- Highly motivated.
- Conscientious and hardworking.
- Organised with good attention to detail.
- Friendly and sociable.
- Attentive and responsive to our client's needs with good commercial awareness.
- Good at working as part of a team.

Salary

A competitive salary is offered relevant to experience.
