Snake River Homestead Yearly Report was given by Anna Williams

[Historical Homestead 2024 Yearly Report](#)

Discussion was held about the future Budget of the Homestead.

[Historical Homestead Budget Proposal 2025](#)

- Electrical needed in the Chicken coop and at the Wagons

- The Kirkpatrick cabin will never have electricity so that it can qualify as a Homestead-the south wall of the cabin is deteriorating-there is a guy from Utah coming to look at it to advise what can be done to repair the cabin to ensure it can still qualify as a Homestead building.

- Community Garden was discussed. The money budgeted for that project would be used for wood to border the beds, soil, seeds, and plants.

The drilling of the well is the main priority out of all the projects. Missionaries will plan to build a log cabin to use as a well house once the well is done.

It was discussed that the Homestead should look at possible ideas to bring in potential income.

Some ideas discussed were:

- Farmers Market

- Concerts

- Charge for use of Arena

- Pumpkin Walk

- Fall Festival

- Winter Festival

There is a grant opportunity through J.R. Murdoch Foundation. Karrie has agreed to help with grant opportunities at the park.

Adam will schedule a meeting with Drew at Bingham County to discuss the possibility of N.E.R.D. obtaining the North Bingham County Park.

Methods Studio: Plans for the park were viewed as well as a possible cost breakdown.

There is a potential of using "Purple Water" to use as water features.

The final bill for Methods Studio was paid in the amount of \$3,870.00.

Bryan will work on meeting with engineers and getting bids.

Tennis Courts at Brinkman Park were discussed. The work that was promised to be done has not been completed. Brian suggested that when we agree to give money towards a project that we associate conditions with that to ensure that the projects are completed within a certain time frame.

Meeting Adjourned at 10:20pm
