After School Policies

Appropriate Behavior Policy

The safety and interests of your children is our primary concern. Teachers will work closely with students to use positive reinforcement for desired behaviors. Teachers will communicate with parents to share positive and undesirable student behavior. If any student has frequent behavior problems that are not improved upon after addressed, then the student who is demonstrating inappropriate and/or dangerous behavior will be suspended from the program. Following the suspension, if the child continues to demonstrate these types of behaviors, he/she will be dismissed from My After School Program. Various techniques will be used by the teachers such as, but not limited to, talking with the student, removing them from the group, time-out, writing about their feelings, parent meetings, and written notification of event or behavior to the parent.

Please be advised that My After School Program, Inc. reserves the right to remove any child demonstrating inappropriate and/or dangerous behavior from the After School Program at any time.
