Virtual Learning Support Camp

Our camp is led by our Certified Teachers and Bi-lingual Spanish speaking teacher. Our goal is to support the students in their virtual learning, provide reinforcement after the virtual lesson, allow social opportunities, physical activities, and fun.

Student / Parent Expectations

We are all in this together and want to create an environment in which your child is successful with Virtual Learning! We will work with your child to provide structure and a schedule to meet his/her daily school requirements. We will need your help.

Please provide us with logins and instructions from their school.

- Masks – Staff will wear masks at all times, and students will be required to wear masks when they are not sitting at their desks in their small pod.
- Pods will be no more than 5-8 children
- Pods will be based on student's grade (as much as possible)
- We help keep kids on task and support them as needed
- Recreation / Exercise breaks
- Snack and Lunch breaks
- Curated social time (within pods)

Lunch and snacks: Students will need to bring lunch and snacks from home. We are a nut-free facility. Weather permitting, we may eat outside, or we will eat in the classroom. We will adhere to distancing and safety guidelines.

Hand washing & bathroom usage: We have single use bathrooms in the center. There will only be 1 child (1 boy / 1 girl) excused for bathroom usage at a time. We require children to wash their hands upon arrival in the morning, after bathroom usage, throughout the day as necessary, and before and after eating. We provide hand sanitizer for use throughout the day.

Water: Kids must bring a water bottle from home. Staff members will aid in filling water bottles for those that need it (children will not be allowed to fill their own water bottles).

Cleaning: Our facility, including desks and chairs will be cleaned and sanitized at the end of each day. Bathrooms will be cleaned/sanitized throughout the day as needed.

Please plan to send your child with the following supplies:

- Laptops / tablets and chargers
- Workbooks or Textbooks
- Notebooks / paper / pencils
- Headsets – We require each student to provide a headset with a microphone (as there will be multiple students in the classroom attending Virtual Lessons, this will be the best way to ensure your child can adequately hear his/her teacher). We highly recommend you try the headset at home for compatibility with the device and comfort (children will be wearing their headset for online instruction for many hours during the day).
- As teachers/ schools provide additional details on other needed supplies, there may be additional requests.

I understand my child will be required to remain home if they experience any COVID-19 symptoms. I also understand that I am responsible to inform Kim Bishop/staff if my child or someone else from our household has tested positive for COVID-19.

I understand that I need to supply my child with a laptop/tablet, headset with microphone, power cord and a mask.

I understand, as my child's parent/guardian I am responsible to confirm my child has completed their assignments, work with my child's teacher on progress or grades and support my child through the Virtual Learning process.

Following the suspension, if the child continues to demonstrate these types of behaviors, he/she will be dismissed from the After School Program.
