Drawing and Mixed Media with Spunky Arts	TUE	15-Sep	8-Dec	2:15 PM 3:30 PM	K	5	10	\$350	Drawing and Mixed Media Class ARTFUL fun! Our mixed media art classes incorporate drawing, painting, charcoal, comics, sculpture, collage, and more. Some projects build from week to week. Some projects may go from 2-D to 3-D! We balance classic arts education with loads of creativity and a touch of whimsy to introduce new concepts and practice some old favorites. New projects every session! Program questions? Director@Spunkyarts.com
Yoga and Hula Hoop with Grounded Kids Yoga	TUE	15-Sep	8-Dec	2:15 PM 3:30 PM	1	5	10	\$310	Yoga and Hula Hoop! Step into the circle and watch confidence grow. This yoga club uses hula hoops in creative movement, partner work, and group challenges to build strength, balance, coordination, and flexibility in an engaging, playful way. The circular flow of hoop-based movement naturally supports core stability, full-body coordination, and cardiovascular endurance while helping kids improve focus and self-regulation. Each class builds social emotional skills in a supportive environment where movement feels fun, inclusive, and meaningful. All equipment provided. To learn more, contact amy@groundedkids.com or call 678-362-9990. Visit groundedkids.com for program details.

Basketball with 411 Brand Athletics	WED	16-Sep	9-Dec	2:15 PM 3:30 PM	1	5	11	\$396	Basketball with 411 Brand Athletics is a structured environment that teaches the fundamentals of basketball and life lessons to boys and girls in GR1-5 . During each session, the 411 Basketball Academy prepares each member to become a better basketball player mentally as well as physically. Each basketball instructor trains each participant to become a better shooter, passer, rebounder and ball handler students will be grouped based on skill and grade level consideration into two groups. Each instructor also helps each individual with maximizing their talents as well as becoming a coachable player. Still have program questions? Email John at the411brand@gmail.com
Robotics Senior with Steam Powered Kids	WED	16-Sep	9-Dec	2:15 PM 4:00 PM	4	5	11	\$492	Robotics encourages the exploration and application of STEAM based principals through building and programming robots for students ages 9-14 in preparation for the FLL competition in December 2026. No previous experience with robotics is necessary. During the semester, students will work as a team to: • Design and program a robot that can score points on a competition board filled with LEGO challenges. • Research and prepare an innovation project related to the theme Bioglow. • Develop and deliver a presentation covering their robot design and strategy, innovation project and core values at the FLL competition. In this year's theme—Bioglow—FLL teams will use creative thinking and LEGO® technology to explore biodiversity, nature-inspired innovation, and ecosystem connections. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. In addition to building a robot for the competition, we will take time out of each session to explore other robotics platforms as we expand our horizons. Some of the robots we will use include: Hexbug Nanos, Spheros, Lego Mindstorms and more. The class fee helps cover two team registration fees (with FIRST and with Georgia Tech), a team practice kit and a team shirt for the FLL competition. Families should save the date for the Tri Robot Cup (a practice competition) in November and the FLL competition in early December. Program specific questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com

Robotics Junior with Steam Powered Kids	WED	16-Sep	9-Dec	2:15 PM 3:30 PM	1	3	11	\$407	Junior Robotics and More! This course serves as an exciting hands-on introduction to the world of robots. No prior experience with robotics is necessary. During each session students will explore concepts of working with and programming robots using a number of different platforms including LEGO, Sphero and Ozobots. Students will investigate topics including how robots use attachments to complete tasks and how to program a robot without using a computer! Program specific questions? Please email Coach Robert Hill at: steampoweredkids@gmail.com .
Graphic Novel & Comics Creation with Spunky Arts	WED	16-Sep	9-Dec	2:15 PM 3:30 PM	2	5	11	\$385	Drawing! Creative Writing! Character Development! Sequential art and creating comics combines drawing, creative writing, and character development teaching skills beyond basic arts like sequencing, and creative and critical thinking. All while having fun, of course! Using prompts and activities, students will develop their own characters and story lines creating a book of their own comics by semester's end! Facilitated by Comic artists and teachers. Please contact Christie with any questions at Director@SpunkyArts.com
Tap & Ballet with Studio Go Dance	WED	16-Sep	9-Dec	2:15 PM 3:30 PM	K	2	11	\$352	Tap Ballet is a combination class split with 30 minutes of Tap and 30 minutes of Ballet. This is a great class for the young dancer who wants to learn the fundamentals of both Tap and Ballet. Classes touch on both warm-up and technique of both disciplines, as well as proper arm, leg, and foot positions. Studio Go's Tap Ballet program is a progressive program that introduces more complex technique and patterns of movement to challenge the elementary student. These classes are perfect for both beginners and the more serious dance student. Our teachers are prepared and evaluate where each student is (level) to make sure that all students are both comfortable and challenged at the same time. All classes taught by Studio Go Dance Instructors. DRESS CODE: Black leotard, pink tights, pink ballet shoes, and black tap shoes. Boys should wear a white top, black bottoms and black ballet and tap shoes. Program questions? Email info@studiogodance.com

Drones and Design with Steam Powered Kids	WED	16-Sep	9-Dec	4:00 PM 5:00 PM	4	5	11	\$437	OPEN TO GRADE 4-5 STUDENTS ONLY- second hour class Drones and Design Students will delve into the world of material science as they learn the properties of flight and experiment with creating their own built-from-scratch drones. Students will be responsible for the upkeep and health of their trainer drone that they will use to practice obstacle flying, learn battery management and hone their piloting skills. Drone safety is our number-one priority! Students will work on learning drone safety according to FAA and AMA (Academy of Model Aeronautics) guidelines. Students can work towards passing the Recreational UAS Safety Test (TRUST) that allows for the flying of drones over .5 lbs. Program specific questions, email Robert at steampoweredkids@gmail.com .

Golf with OT Sports	THU	17-Sep	10-Dec	2:15 PM 3:30 PM	K	3	11	\$352	FORE!!! Overtime Sports Golf program is designed to instill important life skills and character building qualities that are essential for the development of each student. The program provides students with beginning, intermediate, and advanced level junior golfing instruction in a no-pressure environment. Students will learn golf history, etiquette, grip, stance, posture, putting, specialty shots, and a variety of other skills. Each student will have a precise understanding of how the game is played from tee to green. Students who demonstrate aptitude and interest for the sport can advance their golf skills to the competitive level, while others can participate in the sport for fun. Please wear PE type clothes. ALL EQUIPMENT IS PROVIDED. otsports@comcast.net
Arts & Facts with Vamos Chicos	THU	17-Sep	10-Dec	2:15 PM 3:45 PM	K	5	11	\$407	Arts & Facts In our well-rounded bilingual arts program, projects are inspired by nature, seasonal celebrations, and the children's interests. Students will learn facts, new vocabulary, and various art techniques while creating amazing 2-D and 3-D art. By incorporating natural elements, recycled materials, and our famous 'masita' (modeling clay), students will be inspired to use their creativity in new and exciting ways. Each semester comes with new projects. Enroll now. Email: info@VamosChicos.com

Soccer with OT Sports	FRI	18-Sep	11-Dec	2:15 PM 3:30 PM	K	3	11	\$352	Soccer with Overtime Sports is an active program for boys and girls designed to develop an interest in the game and establish a solid foundation in preparation for recreational or club soccer. We are able to accomplish this by making sure the number one ingredient is present at all times: FUNdamentals! Students will learn various elements of the game such as passing, trapping, dribbling, shooting, and ball control. The sessions are composed of exciting games such as Terminator, Sting Ray, and World Cup. It is our belief that soccer instills cooperation, teamwork, sportsmanship, and self-confidence, all of which are key components that transcend the playing field and impact the development of our children. otsports@comcast.net
Kids TV - Video & Film Production	FRI	18-Sep	11-Dec	2:15 PM 3:45 PM	3	5	11	\$341	Creativity. Teamwork. Movie Magic. In Kids TV, students dive into the exciting world of filmmaking while building valuable life skills. From learning camera work and lighting to mastering production techniques, kids work alongside local filmmakers to bring their own stories to life. Whether they're behind the camera or in front of it, every student gets the chance to produce, film, and even star in their own original video projects. But it's more than just movie making — it's about being better together. Through our engaging "Be Better Moments", students participate in fun games and activities that build teamwork, communication, perseverance, kindness, and caring. Lights, camera, action — and a whole lot of fun! Questions? info@mobocproductions.com
Kids TV JR	FRI	18-Sep	11-Dec	2:15 PM 3:30 PM	1	2	11	\$341	Lights, camera, action! 🎬 Do you love movies and telling stories? Then get ready for an exciting week at Kids TV Jr – Movie Making Class! Students will step into the world of filmmaking as they learn the basics of using a camera — zoom, focus, and cool shot types — plus how to act for the camera using expressive voices, body movement, and facial expressions. With help from the film instructor, everyone will work together to bring a popular fairy tale to life on screen! From actors to camera crew, every camper will be part of the movie-making magic — and see their own film come to life by the end of the course. Program questions? Email Brandon at info@mobocproductions.com
