Robotics Senior with Steam Powered Kids	MON	14-Sep	7-Dec	2:15 PM 4:00 PM	4	5	10	\$485	Senior Robotics and FIRST LEGO League Competition—BioGlow Robotics encourages the exploration and application of STEAM based principals through building and programming robots for students ages 9-14 in preparation for the FLL competition in December 2026. No previous experience with robotics is necessary. During the semester, students will work as a team to: • Design and program a robot that can score points on a competition board filled with LEGO challenges. • Research and prepare an innovation project related to the theme Bioglow. • Develop and deliver a presentation covering their robot design and strategy, innovation project and core values at the FLL competition. In this year's theme—Bioglow—FLL teams will use creative thinking and LEGO® technology to explore biodiversity, nature-inspired innovation, and ecosystem connections. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. In addition to building a robot for the competition, we will take time out of each session to explore other robotics platforms as we expand our horizons. Some of the robots we will use include: Hexbug Nanos, Spheros, Lego Mindstorms and more. The class fee helps cover two team registration fees (with FIRST and with Georgia Tech), a team practice kit and a team shirt for the FLL competition. Families should save the date for the Tri Robot Cup (a practice competition) in November and the FLL competition in early December. Program specific questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com

Yoga with Grounded Kids	WED	16-Sep	9-Dec	2:15 PM 3:30 PM	K	5	11	\$330	Grounded Kids Yoga Club Grounded Kids Yoga Club helps children learn how to ground themselves when overwhelmed, recharge when low on energy, and stay focused when distracted. Through purpose-driven yoga poses, breathing techniques, games, and mindset practices, they build confidence, emotional awareness, and self-regulation. These skills often carry into the classroom, friendships, and everyday life. Students receive their own yoga mat and strap to bring each week, along with engaging Grounded Kids Yoga supplies to keep. To learn more, contact amy@groundedkids.com or call 678-362-9990. Visit groundedkids.com for program details.
Chess with Championship Chess FIRST HOUR	WED	16-Sep	9-Dec	2:15 PM 3:30 PM	1	5	11	\$385	Championship Chess is Georgia's premier chess teaching program. This class is for grades 1 through 5 only. Championship Chess has an established and consistent record of helping students compete at the highest levels, both in Georgia and nationally. Our coaches are more than strong chess players, they are educators who know how to teach kids in a way that is clear, structured, and fun. Our proven method helps students build the knowledge and skills they need to become stronger chess players, while also developing critical thinking, patience, focus, and problem solving skills that can help them well beyond the chessboard. For newer students, we will focus on fundamentals, good habits, opening principles, tactics, and purposeful play. For returning and more advanced students, we will be building on what they already know, introducing more advanced concepts, strengthening their decision making, and helping them become more confident in real game situations. We will also begin preparing interested students for tournament play, including the three major 2027 events, the MLK Tournament, the State Qualifier, and the State Championship. Most importantly, we want students to enjoy learning. When kids are having fun, they stay engaged, they practice more, and they continue to improve. We look forward to being part of your child's chess journey and having some fun along the way. Questions? www.championshipchess.net glennpeison@gmail.com for more info

Chess with Championship Chess SECOND HOUR	WED	16-Sep	9-Dec	3:45 PM 4:45 PM	K	5	11	\$385	Championship Chess (SECOND HOUR) is Georgia's premiere Chess teaching program. We have an established and consistent record of our students competing at the very highest levels both in the state and nationally. Our coaches are more than just great chess players, they are educators. Our proven methodology has been shown to be effective at more than just teaching kids the knowledge and skills they need to be successful chess players. They will also learn critical thinking and problem solving skills that will set them up to be successful in all areas of life. At the same time our program makes learning fun. When students enjoy what they are involved in, they progress quicker and most importantly they stay consistent. Given the popularity of our program and our desire to keep a good student to coach ratio, we would like to offer students the option of a 2nd hour. This 2nd hour session is intended for students who were not able to register for the 1st hour due to the cap being hit. The 2nd hour would also be a good opportunity for younger students, like those in Kindergarten or 1st graders that are true novices to the game and have zero prior experience. We look forward to being a part of your child's educational journey and having some fun along the way. www.championshipchess.net glennpeison@gmail.com for more info! PARENT NOTE: This is a second hour class. Students enrolled in this class must transition from JAS aftercare if enrolled, transition from a first hour extracurricular at the primary campus if enrolled, or be brought back to the school and walked into the building by a parent or caregiver 5 minutes before class start time. No school day teacher is responsible for the student's care in the time between end of day dismissal and second hour class beginning. IF student attends JAS aftercare, they must be enrolled to attend.
