| Mondays | Robotics Senior with Steam Powered Kids | 09/12/2022 | 12/05/2022 | 2:45 PM | 4:00 PM | 4 | 5 | \$402 | Senior Robotics Spring 2022, 4-5th grade Robotics club serves as an extracurricular enrichment program that encourages the exploration and application of STEAM based principals through building and programming robots for elementary students grades 4-5. No previous experience with robotics is necessary. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. For the spring 2022, we will explore the world of Battle Bots and compete in our own mini tournament of champions. Teams of students will compete to out program, out design and out build the competition. Using the LEGO MINDSTORM EV3 platform, students will learn programming and building skills that will translate nicely to the FLL competition we compete in each Fall. For those not necessarily interested in battling, there will be options to build a host of helper bots as well as the robotic arena itself. Hexbug Nanos, Spheros, as well as a couple of new surprises will make guest appearances throughout the season. Questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com |
| Tuesdays | Soccer with OT Sports | 09/13/2022 | 12/06/2022 | 2:45 PM | 4:00 PM | 1 | 3 | \$250 | Soccer with Overtime Sports is an active program for boys and girls designed to develop an interest in the game and establish a solid foundation in preparation for recreational or club soccer. We are able to accomplish this by making sure the number one ingredient is present at all times: FUNdamentals! Students will learn various elements of the game such as passing, trapping, dribbling, shooting, and ball control. The sessions are composed of exciting games such as Terminator, Sting Ray, and World Cup. It is our belief that soccer instills cooperation, teamwork, sportsmanship, and self-confidence, all of which are key components that transcend the playing field and impact the development of our children. otsports@comcast.net |

| Tuesdays | Drawing Elements with Spunky Arts | 09/13/2022 | 12/06/2022 | 2:45 PM | 4:00 PM | 0 | 2 | \$300 | New lessons each semester! Drawing basics balancing classic arts education and fun. Basic does not mean boring! Students will build upon their understanding of geometric shapes to create more complex images while learning the use of line, form, space, and perspective to complete drawings that are, ultimately, all their own. This class offers weekly step-by-step single subject drawings designed to scaffold the elements of drawing while improving handwriting and fine motor skills. Parents of students who have taken this class one or more times have reported not only remarkable improvements in handwriting and fine motor skills but also persistence, patience, and confidence in their student. New projects each semester. Lessons do not repeat. Please contact Christie with questions at SpunkyArts@gmail.com |
