Bricks 4 Kidz	MON	9/12/2022	12/05/2022	2:45 PM	4:00 PM	K	2	\$275	Calling all Master Builders! Bricks4Kidz Master Builders LEGO Club is back! Come join us in building jaw-dropping, awesome and head-spinning LEGO models while building important S.T.E.M. skills! In this advanced S.T.E.M. club, children will use our signature "Project 1 Kit" to build the most complex of our over 1,000 different proprietary motorized LEGO models from our over 200 unit-themes. Our "Master Builders" build from fun themes such as Star Wars and Minecraft, while developing important hands-on problem solving skills, critical thinking and creativity. Each model teaches students new and interesting S.T.E.M. concepts such as fractions, gear ratios, laws of motion and much more! Each child will get to take home a custom-built mini-figure at the end of the semester! Program Questions? <a href="mailto:bleblois@bricks4kidz.com">bleblois@bricks4kidz.com</a>

Find the Wild with Blue Heron Nature Preserve	TUE	09/13/2022	12/06/2022	2:45 PM	4:00 PM	1	5	\$250	Join Blue Heron Nature Preserve as we search for insects, rocks, birds, and more in the schoolyard habitat! An expert Blue Heron Naturalist will help children make exciting finds in nature and learn how to explore safely. By spending hands-on time in outside, children will learn to care for living things and build their own scientific understanding of the natural world through discovery, observation, and experimentation. Your Blue Heron naturalist will bring an outdoor activity kit each week, with tools to encourage exploration and observation. This kit will include magnifying lenses, field guides, insect nets, microscopes, art supplies, and more! Each session and week is different, since nature is always changing and our instructors develop activities in response to children's interests and developmental needs. Robotics Senior with Steam Powered Kids	WED	09/14/2022	12/07/2022	2:45 PM	4:30 PM	4	5	\$367	Senior Robotics Spring 2022, 4-5th grade robotics club serves as an extracurricular enrichment program that encourages the exploration and application of STEAM based principals through building and programming robots for elementary students grades 4-5. No previous experience with robotics is necessary. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. For the spring 2022, we will explore the world of Battle Bots and compete in our own mini tournament of champions. Teams of students will compete to out program, out design and out build the competition. Using the LEGO MINDSTORM EV3 platform, students will learn programming and building skills that will translate nicely to the FLL competition we compete in each Fall. For those not necessarily interested in battling, there will be options to build a host of helper bots as well as the robotic arena itself. Hexbug Nanos, Spheros, as well as a couple of new surprises will make guest appearances throughout the season. Questions? Please email Robotix Coach Robert Hill at: <a href="mailto:steampoweredkids@gmail.com">steampoweredkids@gmail.com</a>
Kidz Tennis	WED	09/14/2022	12/07/2022	2:45 PM	4:00 PM	K	5	\$297	Get those feet moving! If you are looking for a program that is fun, safe, and challenging for children and teaches shot making, footwork, agility, and good sportsmanship - Kidz Tennis is the program for you! All equipment is provided (yes, even the racquets!) for this program that takes place using our portable tennis court system. We group children by age and provide multiple coaches to help ensure a fast-paced program for beginners to more advanced players. Tap & Ballet with Studio Go Dance	FRI	09/16/2022	12/09/2022	2:45 PM	4:00 PM	K	2	\$264	Tap Ballet is a combination class split with 30 minutes of Tap and 30 minutes of Ballet. This is a great class for the young dancer who wants to learn the fundamentals of both Tap and Ballet. Classes touch on both warm-up and technique of both disciplines, as well as proper arm, leg, and foot positions. Studio Go's Tap Ballet program is a progressive program that introduces more complex technique and patterns of movement to challenge the elementary student. These classes are perfect for both beginners and the more serious dance student. Our teachers are prepared and evaluate where each student is (level) to make sure that all students are both comfortable and challenged at the same time. All classes taught by Studio Go Dance Instructors. DRESS CODE: Black leotard, pink tights, pink ballet shoes, and black tap shoes. Boys should wear a white top, black bottoms and black ballet and tap shoes. Program questions? Email info@studiogodance.com
