Mondays	09/12/2022	12/05/2022	Basketball Level 1 with 411 Brand Athletics	1	2	2:45 PM	4:00 PM	\$308	Basketball with 411 Brand Athletics is a structured environment that teaches the fundamentals of basketball and life lessons to boys and girls in First-Second grade. During each session, the 411 Basketball Academy prepares each member to become a better basketball player mentally as well as physically. Each basketball instructor trains each participant to become a better shooter, passer, rebounder and ball handler. Each instructor also helps each individual with maximizing their talents as well as becoming a coachable player. the411brand.com
Mondays	09/12/2022	11/28/2022	Find the Wild with Blue Heron Nature Preserve	1	5	2:45 PM	4:00 PM	\$275	Join Blue Heron Nature Preserve as we search for insects, rocks, birds, and more in the schoolyard habitat! An expert Blue Heron Naturalist will help children make exciting finds in nature and learn how to explore safely. By spending hands-on time in outside, children will learn to care for living things and build their own scientific understanding of the natural world through discovery, observation, and experimentation. Your Blue Heron naturalist will bring an outdoor activity kit each week, with tools to encourage exploration and observation. This kit will include magnifying lenses, field guides, insect nets, microscopes, art supplies, and more! Each session and week is different, since nature is always changing and our instructors develop activities in response to children's interests and developmental needs. Mondays	09/12/2022	12/05/2022	Soccer with OT Sports	0	3	2:45 PM	4:00 PM	\$275	Soccer with Overtime Sports is an active program for boys and girls designed to develop an interest in the game and establish a solid foundation in preparation for recreational or club soccer. We are able to accomplish this by making sure the number one ingredient is present at all times: FUNDamentals! Students will learn various elements of the game such as passing, trapping, dribbling, shooting, and ball control. The sessions are composed of exciting games such as Terminator, Sting Ray, and World Cup. It is our belief that soccer instills cooperation, teamwork, sportsmanship, and self-confidence, all of which are key components that transcend the playing field and impact the development of our children. otsports@comcast.net

Fridays	09/16/2022	12/09/2022	Robotics Senior with Steam Powered Kids	4	5	2:45 PM	4:30 PM	\$374	Senior Robotics Spring 2022, 4-5th grade Robotics club serves as an extracurricular enrichment program that encourages the exploration and application of STEAM based principals through building and programming robots for elementary students grades 4-5. No previous experience with robotics is necessary. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. For the spring 2022, we will explore the world of Battle Bots and compete in our own mini tournament of champions. Teams of students will compete to out program, out design and out build the competition. Using the LEGO MINDSTORM EV3 platform, students will learn programming and building skills that will translate nicely to the FLL competition we compete in each Fall. For those not necessarily interested in battling, there will be options to build a host of helper bots as well as the robotic arena itself. Hexbug Nanos, Spheros, as well as a couple of new surprises will make guest appearances throughout the season. Questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com
