Golf with OT Sports	Primary Campus (JAS @ WTJ)	MON	1/27/2025	04/28/2025	2:15 PM 3:30 PM	K	3	\$319	FORE!!! Overtime Sports Golf program is designed to instill important life skills and character building qualities that are essential for the development of each student. The program provides students with beginning, intermediate, and advanced level junior golfing instruction in a no-pressure environment. Students will learn golf history, etiquette, grip, stance, posture, putting, specialty shots, and a variety of other skills. Each student will have a precise understanding of how the game is played from tee to green. Students who demonstrate aptitude and interest for the sport can advance their golf skills to the competitive level, while others can participate in the sport for fun. Please wear PE type clothes. ALL EQUIPMENT IS PROVIDED. otsports@comcast.net
Robotics Junior with Steam Powered Kids	Primary Campus (JAS @ WTJ)	MON	01/27/2025	04/28/2025	2:15 PM 3:30 PM	1	2	\$374	Junior LEGO Robotics and More! This course serves as an exciting hands-on introduction to the world of building and programming robots. No prior experience with robotics is necessary. During each session students will explore concepts of designing, building and programming robots using a number of different platforms including LEGO BOOST, Sphero and Ozobots. Students will investigate how robots use attachments to manipulate their world and how Ozobots follow lines through programmable mazes. Program specific questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com

Robotics Senior with Steam Powered Kids	Primary Campus (JAS @ WTJ)	MON	01/27/2025	04/28/2025	2:15 PM 3:30 PM	4	5	\$374	The spring Senior Robotics Class will be Sumo Bots and will only last an hour. Grades will be 3-5 for the spring only. Updated description: Robotics club serves as an extracurricular enrichment program that encourages the exploration and application of STEAM based principals through building and programming robots for elementary students grades 3-5. No previous experience with robotics is necessary. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. For the spring 2025, we will explore the world of Battle Bots and compete in our own TRI ROBOT SUMO CUP! Teams of students will compete to out program, out design and out build their peers. There will be a friendly competition between Sarah Smith, Warren T. Jackson, Virginia Highland and Springdale Park Elementaries at the end of the term. Using the LEGO MINDSTORM EV3 and RC battle bot platforms, students will learn programming and building skills that will translate nicely to the FLL competition we compete in each Fall. For those not necessarily interested in competing in the SUMO challenge, there will be options to build a host of helper bots as well as the robotic arena itself. Hexbug Nanos, Spheros, as well as a couple of new surprises will make guest appearances throughout the season. PLEASE NOTE CHANGE IN TIME. Since there is no FLL competition in the spring, Senior Robotics ends 30 min earlier than it does in the fall. Program specific questions? Please email Robotix Coach Robert Hill at: steampoweredkids@gmail.com
Soccer with OT Sports	Primary Campus (JAS @ WTJ)	TUE	01/28/2025	04/29/2025	2:15 PM 3:30 PM	K	3	\$348	Soccer with Overtime Sports is an active program for boys and girls designed to develop an interest in the game and establish a solid foundation in preparation for recreational or club soccer. We are able to accomplish this by making sure the number one ingredient is present at all times: FUNdamentals! Students will learn various elements of the game such as passing, trapping, dribbling, shooting, and ball control. The sessions are composed of exciting games such as Terminator, Sting Ray, and World Cup. It is our belief that soccer instills cooperation, teamwork, sportsmanship, and self-confidence, all of which are key components that transcend the playing field and impact the development of our children. otsports@comcast.net

Drawing Elements with Spunky Arts	Primary Campus (JAS @ WTJ)	TUE	01/28/2025	04/29/2025	2:15 PM 3:30 PM	K	2	\$396	New lessons each semester! Drawing basics balancing classic arts education and fun. Basic does not mean boring! Students will build upon their understanding of geometric shapes to create more complex images while learning the use of line, form, space, and perspective to complete drawings that are, ultimately, all their own. This class offers weekly step-by-step single subject drawings designed to scaffold the elements of drawing while improving handwriting and fine motor skills. Parents of students who have taken this class one or more times have reported not only remarkable improvements in handwriting and fine motor skills but also persistence, patience, and confidence in their student. New projects each semester. Lessons do not repeat. Please contact Christie with questions at SpunkyArts@gmail.com
