								<p>Calling all Master Builders! Bricks4Kidz Master Builders LEGO Clubs is back! Ever wondered what a LEGO Club is? At Bricks4Kidz, we bring the best of hands-on learning with the fun of LEGO Land, straight to your school! Come join us in building jaw-dropping, awesome and head-spinning motorized LEGO models that are only available at Bricks4Kidz! In this advanced club, children will use our signature "Project 1 Kit" along with our power functions technic set, complete with motors, battery packs, sensors and remote controls, to build the most complex of our over 1,000 different proprietary motorized models from our over 200 unit-themes. Kids will learn about important S.T.E.A.M. concepts and gain critical creative, cognitive, social and emotional learning skills through the power of LEGO building and hands-on problem solving. Through exploring their imaginations, creativity, and pushing themselves to build more challenging models each week, the students will gain confidence, curiosity and understanding in math, science and engineering. This session comes with a twist! We will introduce our "Master Builders" to our Star Wars, Ninjago, and other popular themes that are sure to bring their wildest dreams to life!
