Drama with Atlanta Children's Theatre	01/23/2023	04/24/2023	Mondays	2:45 PM 4:00 PM	1	5	Taught by professionals from Atlanta Children's Theatre (chosen as 2019 Atlanta Magazine's "Best Place for Kids to Act Out" in the December "Best of ATL" issue), young actors develop their acting skills through fun drama games, improvisations and plays. A fun and nurturing environment is created where children are always center stage and their creativity is celebrated! Class will culminate in a performance for family and friends. www.atlantachildrenstheatre.com
Kidz Sportz	01/23/2023	04/24/2023	Mondays	2:45 PM 4:00 PM	1	5	Bring on the fun! Kidz Sportz is a program where your child will be introduced to many different games and learn a wide variety of new skills! Loaded with fun games like kickball, pickleball, whiffle ball, capture the flag, frisbee golf, modified volleyball, and many more. Your child is sure to have fun while learning; athletic movements, body control, good sportsmanship, catching, throwing, rolling, bouncing, and more! For additional information please email: coach@kidztennis.com
Arts & Facts Around the World with Vamos Chicos	01/23/2023	04/24/2023	Mondays	2:45 PM 4:00 PM	1	5	For Vamos Chicos Eco-Arts, nature is our primary source of inspiration. In our well-rounded arts program, the students learn facts on various themes along with art techniques and create 2-D/3-D art projects. We combine nature elements and recycled materials, along with our famous 'masita' (modeling clay). Our program inspires students to use their creativity and to 'think out of the box.' The class is taught in a bilingual Spanish environment to their level.Email:info@VamosChicos.com

							1	New lessons each semester! Drawing basics balancing classic arts education and fun. Basic does not mean boring! Students will build upon their understanding of geometric shapes to create more complex images while learning the use of line, form, space, and perspective to complete drawings that are, ultimately, all their own. This class offers weekly step-by-step single subject drawings designed to scaffold the elements of drawing while improving handwriting and fine motor skills. Parents of students who have taken this class one or more times have reported not only remarkable improvements in handwriting and fine motor skills but also persistence, patience, and confidence in their student. New projects

			,					Calling all engineers, inventors and programmers of tomorrow! Bricks4Kidz Coding and Video Game Design with LEGO sends kids on a technological adventure, teaching them foundational coding skills in a fun medium of creating their very own video games, combined with hands-on LEGO-building. Students build LEGO "avatars" with our signature building kits, take pictures of them, and upload the pictures into the video game software where the LEGO build becomes part of a their very own video game that they will code from scratch. Students learn strategies to enhance their logic and problem- solving skills, as well as help them work toward becoming technological innovators of tomorrow! Our program offers a skill level progression of coding concepts, helping students progress through different stages of learning and practice through creating new and exciting video games throughout the semester. Students get to take home their very own video games at
Bricks Coding and								the end of the semester! Program questions? Email

Yoga with Grounded Kids	01/24/2023	04/25/2023	Tuesdays	2:45 PM 4:00 PM	1	3	\$324	Grounded Kids Yoga Club This class is for children who want to have a fun and impactful time understanding how to: • Ground when you feel unsettled. • Energize when feeling sluggish. • Focus when you are distracted. • Gain confidence and self assurance • Own your power and use it wisely. • Release stress and anxiety that builds up in the mind and body during these challenging times. Grounded Kids yoga allows children to learn about themselves in new ways so they can skillfully navigate the ups and downs of life. Our kid-friendly yoga poses, purpose-driven yoga games, mindset meditations and breathing techniques are so engaging that even after one class our students are motivated and able to practice at home. Children may bring their own mat or use ours. Cost includes other dynamic Grounded Kids yoga supplies for keeps. www.groundedkids.com For more specific program information: Contact amy@groundedkids.com 678-362-9990.	
Soccer Level 1 with								Soccer Level 1 with 411 Brand Athletics is a structured program for boys and girls designed to teach the fundamentals of the sport as well as develop an interest in the game. Instructors will teach the core elements of the sport to kids in 1st – 3rd grades that will include, dribbling, trapping, passing, ball control and shooting. As with all sports, we believe soccer has the ability to teach various life lessons including teamwork, dealing with adversity and sportsmanship. Our goal for this program is to assist in developing your child to become a better athlete on the field and leader in the community. For more program information:

Tap & Ballet with								Tap Ballet is a combination class split with 30 minutes of Tap and 30 minutes of Ballet. This is a great class for the young dancer who wants to learn the fundamentals of both Tap and Ballet. Classes touch on both warm-up and technique of both disciplines, as well as proper arm, leg, and foot positions. Studio Go's Tap Ballet program is a progressive program that introduces more complex technique and patterns of movement to challenge the elementary student. These classes are perfect for both beginners and the more serious dance student. Our teachers are prepared and evaluate where each student is (level) to make sure that all students are both comfortable and challenged at the same time. All classes taught by Studio Go Dance Instructors. DRESS CODE: Black leotard, pink tights, pink ballet shoes, and black tap shoes. Boys should wear a white top, black bottoms and black ballet and tap

								Calling all Master Builders! Bricks4Kidz Master Builders LEGO Club is
								back! Come join us in building jaw-dropping, awesome and head-spinning
								LEGO models while building important S.T.E.M. skills! In this advanced
								S.T.E.M. club, children will use our signature "Project 1 Kit" to build the
								most complex of our over 1,000 different proprietary motorized LEGO
								models from our over 200 unit-themes. Our "Master Builders" build from
								fun themes such as Star Wars and Minecraft, while developing important
								hands-on problem solving skills, critical thinking and creativity. Each
								model teaches students new and interesting S.T.E.M. concepts such as
								fractions, gear ratios, laws of motion and much more! Each child will get
								to take home a custom-built mini-figure at the end of the semester!
