Course Name	Days	Start Date	End Date	Times	Min Grade	Max Grade	Rates	Course Description
Master Builders with Bricks 4 Kidz	Mondays	09/09/2024	12/09/2024	2:15 PM 3:45 PM	K	2	\$348	Calling all Master Builders! Bricks4Kidz Master Builders LEGO Club is back! Come join us in building jaw-dropping, awesome and head-spinning LEGO models while building important S.T.E.M. skills! In this advanced S.T.E.M. club, children will use our signature "Project 1 Kit" to build the most complex of our over 1,000 different proprietary motorized LEGO models from our over 200 unit-themes. Our "Master Builders" build from fun themes such as Star Wars and Minecraft, while developing important hands-on problem solving skills, critical thinking and creativity. Each model teaches students new and interesting S.T.E.M. concepts such as fractions, gear ratios, laws of motion and much more! Each child will get to take home a custom-built mini-figure at the end of the semester! Program Questions? <a href="mailto:bleblois@bricks4kidz.com">bleblois@bricks4kidz.com</a>

Robotics Senior with Steam Powered Kids	Wednesdays	09/11/2024	12/11/2024	2:15 PM 4:00 PM	4	5	\$484	<p>Senior Robotics and FIRST LEGO League Competition—SUBMERGED Robotics club serves as an extracurricular enrichment program that encourages the exploration and application of STEAM based principals through building and programming robots for elementary students grades 4-5. No previous experience with robotics is necessary. Returning students will be given the freedom to build upon past experiences on new platforms and challenges. Activities focus on honing critical thinking skills, perseverance and teamwork as students learn to program, use sensors and design attachments. During the term Senior Robotics will prepare and field 1-2 teams to compete in the FLL Robotics competition in early December. Last year’s theme—Masterpiece—had students imagine and innovate new ways to create and communicate art across the globe—and then put their creativity to work to integrate technology and the arts! In this year’s theme—Submerged—FIRST LEGO League teams will use creative thinking and LEGO® technology to explore the layers of the ocean and bring their learnings and ideas to the surface as they “sea” into the future. In addition to building a robot for the competition we will take time out of each session to explore other robotics platforms as we expand our robotic horizons. Some of the robots we will use include: Hexbug Nanos, Spheros, Lego Mindstorms and more. Program specific questions? Please email Robotix Coach Robert Hill at: <a href="mailto:steampoweredkids@gmail.com">steampoweredkids@gmail.com</a></p>

Drones and Design with Steam Powered Kids	Wednesdays	09/11/2024	12/11/2024	4:00 PM 5:00 PM	4	5	\$434	<p>OPEN TO GRADE 4-5 STUDENTS ONLY This program prepares members to fly and build drones to participate in the yearly Drones 4 Good (D4G) Competition hosted by Midtown Mavericks at Midtown High-school. You can learn more about competition here: <a href="https://midtownmavericks.org">https://midtownmavericks.org</a> Students will work both individually and in teams to develop winning designs. The competition itself will be held in the 2025 spring term in late April-early May. Previous experience with drones is required. In addition to the built-from-scratch drones we work on for team competition, students will be responsible for the upkeep and health of their trainer drone that they will use to practice obstacle flying, learn battery management and hone their piloting skills. When not flying, we will delve into the world of material science as we encourage experimenting with different materials to achieve the delicate balance between strength and weight. Drone safety is our number-one priority and by the end of the term all students will have completed drone safety and certification with the FAA and AMA (Academy of Model Aeronautics). This includes passing the Recreational UAS Safety Test (TRUST) that allows for the flying of drones over .5 lbs. A youth membership of \$15/year with the AMA is required to participate in the DFG competition and is not included in the registration cost of this program. All supplies are included in the fee, including the trainer drones. Program specific questions, email Robert at <a href="mailto:steampoweredkids@gmail.com">steampoweredkids@gmail.com</a></p>
